

Dr. Mahendra Prasad Tripathy

Clinical Director & HOD
Speciality-Cardiology, MBBS, MD, DM (Cardiology)
Experience-36 Years
Location-CARE Hospitals, Bhubaneswar

Best Cardiologist in Bhubaneswar

Brief Profile

Dr. Mahendra Prasad Tripathy is an esteemed Clinical Director and HOD, specializing in Cardiology. He is highly qualified with degrees in MBBS, MD, and DM (Cardiology). With an impressive experience of 36 years, he is recognized as the top cardiologist in Bhubaneswar, providing exceptional heart care to his patients.

Field(s) of Expertise

Non-invasive Cath lab, OT and ITU
Cath and Echo Lab

Research and Presentations

- 1) CHD in Diabetes, Evaluation. Angiographic profile (Post –Graduate Medicine)Manoria P.C.(ed) 1997 (12):56-65 invited article.
- 2) De-novo Coronary Artery Stenting with a Palmaz –Schatz hemistent for a short eccentric lesion at a bend of RCA-A casereport., .News letter, Interventional Cardiology , South Asia Vol.ii,, No. 1, April- June 1995
- 3) Proximal major dissection following palamz- schatz (j&j) Hemistent implantation and its management-A case report. News letter, interventional Cardiology, south Asia, Vol-ii, No.3, Page No:- 11-12 Oct-Dec 1995.
- 4) Coronary artery stenting for a bend lesion using AVE Microstent. News letter, interventional Cardiology, south Asia, Vol.iii, April- jan. 1996.
- 5) Trans-radial De-Novo Coronary Artery Stenting, Brief case report . JAPI, Vol. 44 No.2, Page no:- 147Feb. 1996.

- 6) Non-Surgical repair of Abdominal Aortic Aneurysm-Case Report . The Journal of Invasive Cardiology. Nov/Dec . 1996 Vol.B/No9- P.443-446
- 7) Stent Thrombosis-Experience at Apollo Hospital, Hyderabad Indian Heart Journal 1997, P99-648
- 8) Apollo Hospital Hyderabad. Indian Heart Journal1997, P49-648
- 9) Et al Balloon Mitral Valvuloplasty with Bifoil Catheter, Immediate and long term follow up results-Apollo Heart Institute, Apollo Hospital, Hyderabad, Cathetrisation and Cardio-vasculara Diagnosis is 43:43-47.1998
- 10) Et al Electrive Coronary Artery Stenting immediate and follow up results. Apollo Hospital Hyderabad. JAPI 1998,Vol.46,No.3 Page 263-267. 1998
- 11) Sreum Vitamin E level and Risk of Coronary Heart Diaease –Co relation with other classical risk Factors. India J.Med. Biochem, 19982(1) P.38-42
- 12) et al. Successful Coil embolisation and follow up result of a complex Pulmonary Arterio-venous fistula. Journal of Invasive Cardiology; Vol ii,No-2, 1999 P.83-86.
- 13) Publications
- 14) Clinico-pathological study of malignancies in South Orissa, JAPI (Abst. Issue), 1986; 34 (1): 40
- 15) Combination drug trial in non-Hodgkins lypoma – a preliminary study. JAPI (Abst. Issue), 1986; 34 (1): 63
- 16) Observation on aetiopathogenesis of foot lesions in diabetes mellitus. JAPI (Abst. Issue) 1987; 35 (1): 50
- 17) Post infraction angina - a clinical study of 32 cases. IHJ (Abst. Issue), 1991; 43 (4): 293
- 18) Study of diastolic filling abnormalities in hypertension - a Doppler echo-cardiographic evaluation. IHJ (Abst. Issue), 1992; 44 (5): 279
- 19) ECG diagnosis of LVH in presence of complete LBBB and its co-relation with LV mass. IHJ (Abst. Issue), 1993; 45 (359)
- 20) Metoprolol in idiopathic dilated cardiomyopathy. IHJ (Abst. Issue), 1993; 45 (5): 385
- 21) Lisinopril in congestive heart failure. IHJ (Abst. Issue), 1993; 45 (5): 385
- 22) Comparitive trial of Ramipril vs Felodipine on LV mass reduction in essential hypertension. IHJ (Abst. Issue), 1994; 46 (5): 204
- 23) Mitral balloon valvuloplasty - an experience of 400 cases with bifoil catheter technique. IHJ (Abst. Issue), 1995; 47 (6): 590
- 24) Mitral valvuloplasty using inoue balloon, Hyderabad Apollo Hospital. IHJ (Abst. Issue), 1995; 47 (6): 590
- 25) Experience of PTRR, Hyderabad Apollo Hospital. IHJ (Abst. Issue), 1995; 47 (6): 615
- 26) De-novo coronary artery stenting with Palmaz-Schatz hemistent - immediate and early follow up. IHJ (Abst. Issue), 1995; 47(6): 616
- 27) De-novo coronary artery stenting without post-procedural anti-coagulants. IHJ (Abst. Issue), 1995; 47 (6): 629
- 28) De-novo coronary artery stenting with Palmaz-Schatz stent - immediate and early follow up of 76 cases. IHJ (Abst. Issue), 1995; 47(6): 404
- 29) PTCA by transradial approach. JAPI (Abst. Issue), 1995; 42(2): 866
- 30) De-novo coronary artery stenting with Palmaz-Schatz stent - immediate and early follow up of 54 cases. JAPI (Abst. Issue), 1995; 43(12): 866
- 31) Balloon mitral valvuloplasty using bifoil catheter with prior surgical commissurotomy. Initial and follow up results. JAPI (Abst. Issue), 1995; 43 (12): 867
- 32) Coronary artery stenting for a band lesion using AVE micro stent. Newsletter, Interventional Cardiology, South Asia, 1996; 3 (1)
- 33) Early and follow of results of de-novo stenting of proximal LAD versus proximal circumflex coronary artery with Palmaz-Schatz stent. IHJ (Abst. Issue), 1996; 48 (5): 532
- 34) De-novo stenting of native coronary artery with wall stent - initial experience. IHJ (Abst. Issue), 1996; 48 (5): 547

- 35) Clinical trial of intra-coronary PURA stent in India. IHJ (Abst. Issue), 1996; 48 (5): 547
- 36) CHD in diabetes, evaluation angiographic profile. Postgraduate Medicine. Manoria PC (ed), 1997; 12: 56-65 (invited article)
- 37) De-novo coronary artery stenting with a Palmaz-Schatz hemistent for a short eccentric lesion at a bend of RCA - a case report. Newsletter, Interventional Cardiology, South Asia, 1995; 2 (1): 8-9
- 38) Proximal major dissection following Palmaz-Schatz (J & J) hemistent implantation and its management - a case report, Newsletter, Interventional Cardiology, South Asia, 1995; 2 (3): 11-12
- 39) Coronary artery stenting for a bend lesion using AVE Microstent, Newsletter, Interventional Cardiology, South Asia, 1996; 3
- 40) P. C. Rath, P. S. Rao, M. P. Tripathy. Trans-radial de-novo coronary artery stenting. Brief case report. JAPI, 1996; 44:147

- 47) result of a complex pulmonary arterio-venous fistula. Journal of Invasive Cardiology, 1999; 2 (2): 83-86

Education

MBBS - Utkal University, Odisha, Bhubaneswar (1982)

RHS (Gen Medicine) - Berhampur University (1984)

MD (General Medicine) - Berhampur University - 1986 3. DM (Cardiology) - Utkal University (1993)

Training in Non-Invasive Cathlab, OT and ITU - B.M.Birla Heart Reserch Centre, Calcutta (1992)

Training in Cath and Echo Lab for 2 months at AIIMS, New Delhi - 1992

Fellow in Interventional Cardiology - Dept. of Cardiology - Apollo Hospital, Hyderabad (1994-1997)

Fellow in Cardiac pacing And Electrophysiology & Interventional Cardiology - the University of Rouen, France (1997-1998)

Awards and Recognitions

State Level “Rajiv Gandhi Sadbhawana Award 2006” in the field of Best Doctor of the year 2006 on 21st May 2006 – By his Excellency Governor of Odisha.

Honour of Best Doctor Award from from Kendrapara District, Vikas Parishad – 2009.

Mahatab Sanman (2009) for best Doctor from Shree Naveen Patnaik, Honourable Chief Minister, Odisha, on 21st November 2009.

Charaka Prava Honour – 2010, Suryaprava Odisha

Rajadhani Gourav Award – 2010 from Shree Naveen Patnaik, Honourable Chief Minister, Odisha.

Dasandhira Shrestha Bwaktitwa (Best Citizen of the Decade) Sanman – Kayakalpa, Odisha Sahitya Academy (2001-2010), on 23rd April, 2011.

Dr. Barada Prasad Memorial Subrata Award on 8th July, 2013 for Best Doctor by Dr. Damodar Rout, Honourable Health Minister of Odisha.

Fellow/Membership

Member of the Society of Cardiovascular Angiography and Interventions (FSCAI).

Member of Cardiology Society of India

Past Positions

Assistant Surgeon - Government of Odisha (1986 - 1988)

Lecturer - Pharmacology, Government of Odisha (Sept 1988 - July 1990)

Lecturer - Cardiology, Shri Ramachandra Bhanj Medical College, Cuttack (June 1993 - Oct 1994)

Consultant, Cardiology, Kalinga Hospital, Bhubaneswar (July 1998 - Jan 2001)

Chief Cardiologist & In-charge Cath Lab, Saumya Apollo Hospital, Vijayawada (Sept 2001 - Mar 2004)

Senior Consultant, Cardiology, Kalinga Hospital, Bhubaneswar (Mar 2004 - Oct 2007)

Training in Cath and Echo Lab for 2 months at AIIMS, New Delhi (22.10.1992 to 21.12.1992)

Training in Non-Invasive Cathlab, OT and ITU at B.M.Birla Heart, Reserch Centre, Calcutta (15.08.1992 to 15.09.1992)

Fellow in Cardiac pacing And Electrophysiology & Interventional Cardiology at the University of Rouen, France (21.07.1997 to 20.04.1998)

Lecturer in Pharmacology at Govt. of Odisha (10.10.1988 to 30.07.1990)
